1. **Manual Payment:** Manual payment is that you will have to make the payment yourself from Bkash, Rocket or Nagad to your teachers account and your teachers will verify your payment.

2. **Pay Online:** On online payment there will be some more options to pay including Bkash, Rocket, Nagad, Nexus, Master/Visa Cards, Banks etc. In this payment your teacher need not to verify your payment. Software will automatically verify it and you can see the course materials instantly.
